

Oregon Coast Bank

Dividend Direct Deposit

We encourage our shareholders to enroll for Dividend Direct Deposit of your quarterly cash dividends. Dividend Direct Deposit allows you to have your dividend payments from Oregon Coast Bank delivered directly to your account at the financial institution of your choice. It saves you the time it takes to deposit the payments, provides immediate availability and minimizes the risk of payments being lost or stolen.

How it works to benefit you!

On payment day, your dividend is deposited automatically into your personal checking or savings account. In lieu of a check, Oregon Coast Bank sends you a notice of the amount deposited. In addition, the deposit appears on your account statement from your financial institution. Because this is part of an automatic payment system, your dividend checks cannot be lost or stolen, and you gain immediate access to your funds.
